

Madrigal Pharmaceuticals Announces Proposed Public Offering of Common Stock

June 5, 2018

CONSHOHOCKEN, Pa., June 05, 2018 (GLOBE NEWSWIRE) -- Madrigal Pharmaceuticals, Inc. (Nasdaq:MDGL), a clinical-stage biopharmaceutical company focused on the development and commercialization of innovative therapeutic candidates for the treatment of cardiovascular, metabolic, and liver diseases, today announced that it has commenced an underwritten public offering of \$200 million of its common stock. In addition, existing stockholders of the company, including certain of its executive officers and directors and affiliates thereof, are offering up to 363,625 shares of Madrigal's common stock in the offering. Madrigal will not receive any proceeds from the sale of the shares by these selling stockholders. Madrigal also intends to grant the underwriter a 30-day option to purchase up to an additional fifteen percent (15%) of the base shares of common stock offered in the public offering.

Goldman Sachs & Co. LLC, is the sole book runner of the proposed offering. The offering is subject to market and other conditions, and there can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering.

The shares are being offered by Madrigal and the selling stockholders pursuant to an effective shelf registration statement on Form S-3 that was filed with the Securities and Exchange Commission (SEC) on June 5, 2018. A preliminary prospectus supplement relating to and describing the terms of the offering will be filed with the SEC and will be available on the SEC's website at www.sec.gov. When available, copies of the preliminary prospectus supplement and the accompanying prospectus relating to these securities may also be obtained by contacting the following: Goldman Sachs & Co.
