Madrigal	DOCUMENT TITLE: **QUALITY POLICY**

QUALITY WITHOUT COMPROMISE

Patient-focused. Science-driven. Globally consistent.

We are committed to advancing and delivering innovative therapies that address serious unmet medical needs while protecting patients and maintaining trust. Quality is integral to every decision, process, and stage of the product lifecycle. We design, develop, manufacture, test, supply, and support our products in accordance with all applicable regulatory requirements and with an unwavering focus on safety, efficacy, integrity, and reliable performance.

OUR GLOBAL QUALITY COMMITMENTS

PATIENT SAFETY & PRODUCT QUALITY

Focus on our patients by ensuring products and processes consistently meet established global standards for safety, efficacy, identity, strength, purity, and performance.

COMPLIANCE & DATA INTEGRITY

Uphold the highest standards of compliance and integrity by meeting applicable regulatory and quality requirements and ensuring data and records are accurate and reliable throughout the product lifecycle. Protect data integrity to enable sound decisions, safeguard product quality and patient safety, and maintain regulatory trust.

QUALITY CULTURE & ACCOUNTABILITY

Foster an open, ethical, and **owner-mindset** culture where every colleague understands that Quality is everyone's responsibility and that every action impacts our patients.

SCIENCE-LED, RISK-BASED DECISIONS

Utilize **innovation** combined with sound science, quality risk management, and knowledge management to make timely, transparent, and well-documented data driven decisions.

CONTINUAL IMPROVEMENT

Continuously strengthen and evolve our Quality Management System through learning, innovation, and risk-based improvement. Leverage technology and digital tools to simplify processes, enhance efficiency and insight, and build a scalable quality framework that supports product quality, patient safety, and sustainable growth.

PARTNER & SUPPLY NETWORK OVERSIGHT

Establish clear expectations and maintain effective oversight of suppliers, contract partners, and service providers to ensure consistent high quality, **collaboration**, and continuous global supply.

Every employee and partner contributes to quality. Leadership provides the resources, governance, and oversight needed to fulfill these commitments through a robust framework of Quality objectives.

Our Quality Policy is implemented through Madrigal's electronic Quality Management System and is accessible to all employees.
